Cathy Archer is remembered as a giving, generous, and loving individual with an infectious laugh and spirit. She loved cooking and baking, not only for planned events, but for “just because” moments. Preparing and sharing her food creations was her way of giving back. Not many people have the energy and drive to work two jobs, go to school, and frequently prepare a meal or dessert to share or give as a gift. Cathy was a co-worker, but most of importantly, a true friend to so many. *She will be missed everyday.*
